“What’s Your Name Again?”

Are you worried about a loved one’s memory?
Should you be worried about your own memory?

From forgetting where the car’s parked to not remembering names, we will review the warning signs of dementia...

*Speaker: Clarissa L. Dumdei, C-ANP, C-GNP
Avera Medical Group, Marshall MN*

This educational program will include reviewing the symptoms of memory loss and offer valuable resources and information will be shared, including an overview on memory clinics. There will be a question and answer session as well.

WHEN: Monday, October 30, 2017

TIME: 5:15pm - 6:15pm

WHERE: Redwood Falls Public Library
509 S. Lincoln Street
Redwood Falls, MN

COST: No charge

WHO SHOULD ATTEND: Caregivers, people with memory concerns, community members, and anyone interested in dementia education

Funded in part by Westside Clothing Center, Redwood Area Hospital Foundation, Redwood Falls Rotary Club, St. Matthew’s Lutheran Church of Evan, and a dementia grant from the MN Board on Aging
