Lincoln County

In 2018, Rosanne continued to collaborate with healthcare facilities in Lincoln County to expand dementia education and services into the communities within the County. The Backpack Program and NAPS (Nutrition Assistance Program for Seniors) also continue to thrive as they are providing increased opportunities for residents to receive fresh food supplies in Lincoln County. The local non-profit thrift store at Divine Providence almost doubled its volunteer hours from 2017 to 2018, and it had a nice increase in the number of volunteers donating time there too.

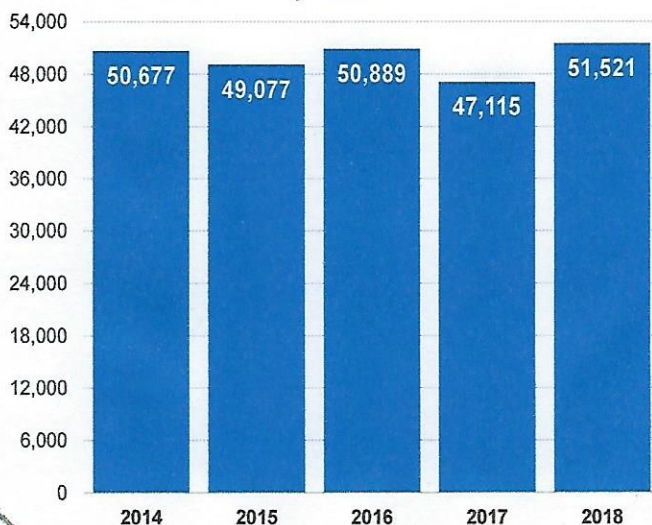

Programs available to the citizens of Lincoln County in 2018 included RSVP volunteer services, Friendly Visiting, Telephone Reassurance, Caregiver Respite, Individual & Family Counseling, Caregiver Support Group, Dementia Education & Support Services including REACH Caregiver Support (Resources for Enhaning Alzheimer's Caregiver Health) and Virtual Dementia Tours, Powerful Tools for Caregivers classes, A Matter of Balance classes, Tai Ji Quan classes, and CDSMP - Living Well with Chronic Conditions classes.
